NEW RICHMOND RESIDENT EARNS VALEDICTORIAN HONORS

Flexible online curriculum allowed time for equestrian pursuits

COLUMBUS, OH (June 28, 2006) – Lauren Stanfield, of New Richmond, was recently named the 2006 valedictorian of the graduating class of The Virtual Community School of Ohio (VCS Ohio). VCS Ohio recently honored the class of 2006 at a graduation ceremony in Columbus. This year's 85 graduates make up the fourth graduating class since VCS Ohio's inception.

"Having the opportunity to go to VCS is very special to me. Prior to my junior year, I went to a private school, but my whole life revolves around showing horses very competitively. Being in a private school, I was unable to live my life how I wanted it to be. VCS has given me many opportunities that I would not have had if I would not have gone here," stated Stanfield.

VCS Ohio students choose to attend school online for a variety of personal and philosophical reasons. All students benefit from the flexibility and safety that an online learning environment provides. The accredited teachers and comprehensive curriculum at VCS have prepared the class of '06 for furthering their education in college or entering the workforce. Stanfield plans to attend college in the fall.

The Virtual Community School of Ohio offers students a high-quality, accredited, online K-12 education from the comfort and safety of their home. The mission of VCS Ohio is to educate students through a quality virtual experience.
