### **LOCAL STUDENTS GRADUATE FROM ONLINE HIGH SCHOOL**

#### *FLEXIBLE, COMPREHENSIVE CURRICULUM FITS STUDENTS' LIFESTYLES*

**COLUMBUS, OH (June 26, 2007)** –The Virtual Community School of Ohio (VCS Ohio) recently honored the class of 2007 at a graduation ceremony in Columbus. This year's 96 graduates make up the fifth graduating class since VCS Ohio's inception, including several local area students and an impressive 21 juniors that graduated ahead of time.

VCS Ohio students choose to attend school online for a variety of personal and philosophical reasons. All students benefit from the flexibility and safety that an online learning environment provides. The accredited teachers and comprehensive curriculum at VCS have prepared the class of '07 for furthering their education in college or entering the workforce.

“The 2007 VCS Ohio graduation was our biggest ever—over 500 people attended to proudly watch our 96 graduates walk across the stage. We wish our graduates much success in the future,” stated Tate Skinner, a VCS director.

The Virtual Community School of Ohio offers students a high-quality, accredited, online K-12 education from the comfort and safety of their home. The mission of VCS Ohio is to make a difference in the life of a student.
