LOCAL TEACHER RECEIVES “TEACHER OF THE QUARTER” AWARD

COLUMBUS, OHIO (May 17, 2010) – Virtual Community School of Ohio (VCS Ohio) teacher Marla Terrell, of Canton, was named “Teacher of the Quarter” at a recent VCS professional development event. Terrell was selected by the management team for her outstanding use of technology by incorporating various Web 2.0 tools into her classes. She also participated in the first-ever VCS SMART board pilot project with hopes of implementing this technology next school year. Terrell teaches high school health and has been with VCS for five and a half years.

“Marla is continually one of the highest scoring teachers on our parent and student surveys,” stated Jeff Nelson, high school principal for VCS Ohio. “She is a great example of the quality of teachers we have at VCS.”

Virtual Community School of Ohio offers students in grades K-12 a high-quality, accredited, online education from the comfort and safety of their home. The mission of VCS Ohio is to make a difference in the life of a student.
