### **LOCAL TEACHER RECEIVES “TEACHER OF THE QUARTER” AWARD**

**COLUMBUS, OHIO (May 17, 2010)** – Virtual Community School of Ohio (VCS Ohio) teacher Molly Coffey, of Worthington, was named “Teacher of the Quarter” at a recent VCS professional development event. Coffey was selected by the management team for her ability to individualize the education for each of her students and make the learning process fun and enjoyable. She even started a blog for her class called “The Coffey Grind,” where she shares stories of her daily life and encourages her students to submit stories as well. Coffey teaches special education for grades 1-6 and has been with VCS for two years.

“Molly is just so positive and energetic and a pleasure to work with,” stated Donna Baker, Director of Special Education for VCS Ohio. “She is a great example of the quality of teachers we have at VCS.”

Virtual Community School of Ohio offers students in grades K-12 a high-quality, accredited, online education from the comfort and safety of their home. The mission of VCS Ohio is to make a difference in the life of a student.
