*Received new Dell mini laptop*

**COLUMBUS, OHIO (January 5, 2010)** – Virtual Community School of Ohio (VCS Ohio) ninth grader Kayla Brosko of Columbiana, won the VCS Redesign 2009 web site design contest. All students in grades 7-12 were given the opportunity to redesign the VCS log-in page. A Dell mini laptop with travel case was up for grabs prompting more than 40 students to submit a design. Six finalists were chosen by a panel of teachers, then a popular vote from the entire school selected Brosko the winner.

VCS Superintendent Jim McCord, along with other VCS faculty members, presented Brosko with her prize on Tuesday, December 8 at Das Dutch Haus Restaurant in Columbiana.

Virtual Community School of Ohio offers students in grades K-12 a high-quality, accredited, online education from the comfort and safety of their home. The mission of VCS Ohio is to make a difference in the life of a student.
