

# VCS Ohio is coming to Dayton!

Now Dayton-area students can receive face-to-face tutoring and nutritious snacks on a regular basis.

VCS Ohio is teaming up with some of Dayton's top educational and cultural organizations to offer students extra help in math and reading. In conjunction with the Boonshoft Museum of Discovery, The Dayton Art Institute, Sinclair Community College and the Montgomery County Education Service Center, VCS Ohio students can now receive face-to-face tutoring provided by Sinclair Community College. Students will enjoy rich educational experiences as well as nutritious snacks.

## Who's eligible for tutoring?

All VCS Ohio students are eligible for tutoring at the Boonshoft Museum of Discovery. Tutoring is available for students in all grade levels (K-12).

## In which subjects can students receive tutoring?

Students can be tutored in reading and math. However, since VCS Ohio is working with fantastic educational and cultural organizations to offer this program, it is likely that students' lessons will also be enriched with other valuable experiences which may touch on additional subject areas.

## Are there any other activities available?

Yes. VCS Ohio students and parents will benefit from a variety of other opportunities, such as active parenting classes, a drug and alcohol prevention program and recreational activities.

## What snacks will be served?

VCS Ohio students will receive healthy snacks that meet the State of Ohio's nutrition guidelines. If students have dietary restrictions, they should contact Mrs. Gustafson.

## Is transportation available?

VCS Ohio will provide city bus tokens to get to and from the Boonshoft Museum of Discovery for each student and a chaperone. Some families may be eligible for monthly bus passes. See Mrs. Gustafson for details. Students with disabilities should schedule rides through Project Mobility.

## What bus route should I take?

- Take Bus 16 going north from the 3rd and Main Hub
- Get off at the Ridge Road and Riverside Road stop
- Walk along the bike path to the Boonshoft Museum

## Is there any cost to participate?

There is no cost to VCS Ohio students. This unique opportunity is made possible through the 21st Century Community Learning Center Grant from the U.S. Department of Education.

## What are the scheduled hours for tutoring?

Please check the Learning Management Systems (LMS) for up-to-date schedules for each grade level.
